CHONG H. KIM
PRIMARY EXAMINER

Response to Amendment

1. The reply filed on Oct 18, 2004 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): The newly added limitation wherein the connecting rod is disposed at the lower end of the crank shaft as recited in claims 1 and 9 appears to read on a non-elected species as shown in Fig. 7. As stated in MPEP 819, the shifting to another invention after the election is once made and action given on the elected subject matter is not permitted. Also see 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. **EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).**
